Zip lock

FRONT

We recommend to create matching left and right edges of your artwork. You can find more info in the [artwork guidelines](#)

- Place your artwork in the "Artwork" layer.
- If you have metallic on transparent elements, place them in the Metallic/Transparent Elements layer
- If you have any questions on how to use the template, feel free to contact us at info@lprint.com or via our Live Chat

Sealing zones

Folding line

We recommend not to create element intersections right at the fold lines (like one colour base for front part and a different colour for the bottom). Please add at least 5mm of bleeds here
