

The diagram illustrates the layout for the front and back of a card. The top section, labeled 'FRONT', has a hatched top border and a hatched bottom border. A dashed pink line indicates the 'Top bleed' area. A dashed pink line also indicates the 'Folding line'. A dashed pink line indicates the 'Sealing zones'. The bottom section, labeled 'BACK', has a hatched top border and a hatched bottom border. A dashed pink line indicates the 'Folding line'. A dashed pink line indicates the 'Sealing zones'. The entire card is light blue with rounded corners.

Top bleed

FRONT

We recommend to create matching left and right edges of your artwork. You can find more info in the [artwork guidelines](#)

- Place your artwork in the “Artwork” layer.
- If you have metallic on transparent elements, place them in the Metallic/Transparent Elements layer
- If you have any questions on how to use the template, feel free to contact us at info@lprint.com or via our Live Chat

Sealing zones

Folding line

We recommend not to create element intersections right at the fold lines (like one colour base for front part and a different colour for the bottom). Please add at least 5mm of bleeds here

BACK
